

Your Pharmacy Network Directory

Thank you for choosing us for your health insurance needs! We're pleased to share with you the **2017 Blue Cross and Blue Shield of Louisiana Pharmacy Directory**. Here are some quick facts about this directory:

1) **This list is only as good as the day it is created.**

This book lists Louisiana pharmacies that are in your network as of the date it was created. We refresh this list once a year. To find a network pharmacy near you *now*:

On the web

- 1) **Log in** to your account at **bcbsla.com**.
- 2) Click **My Account**.
- 3) Choose **Pharmacy**.
- 4) Click **Find a Pharmacy** to find pharmacies in the Express Scripts network.

On the phone

1-866-781-7533 (the Pharmacy number on your ID card)

On the go

- 1) Download the **Express Scripts mobile app**.
- 2) Search for **Express Scripts** in your app store.
- 3) **Sign in** to find pharmacies and keep track of your medicine, too.

2) **You save money by staying in your network.**

- You get the most out of your health plan and save money when you get your drugs filled at a network pharmacy or by mail order through Express Scripts.
- Your network pharmacist will file claims for you. You will only have to pay a copayment or coinsurance and deductible (if this applies to you) when you use a network pharmacy.
- You can go to any network pharmacy to fill a drug. You don't have to go to the same one each time.

3) **How to Use This List:**

Pharmacies are listed A to Z by parish. To find a network pharmacy near you:

- 1) Find your parish.
- 2) Choose a pharmacy from the list of those in your parish.

4) **Learn More about Your Drug Coverage.**

For more about your drug coverage, go to **bcbsla.com/pharmacy** or **express-scripts.com**.

NOTES:

- Because a pharmacy can join or leave the network any time, Blue Cross cannot guarantee that all pharmacies in this list are in your network as of the day you read this list. We will update this list once a year to the best of our ability. If you find errors or gaps, please know that they are by accident, and that we will make corrections in future directories.
- This directory does not include medical specialty drug pharmacies/providers. Your doctor will let you know if you need to get your drug from one of these pharmacies. If you need to find a medical specialty drug pharmacy, please search the **Louisiana Provider Directory** at **bcbsla.com/findcare**. Type in **Medical Pharmacy**.
- Express Scripts is an independent company that serves as the pharmacy benefit manager for Blue Cross and HMO Louisiana, Inc. Express Scripts has contracted with each network pharmacy's owner on our behalf to serve Blue Cross and HMO Louisiana members.
