The documents below are available in DocuSign® format only. As of March 17, the PDF versions of these forms are no longer available. Submitting these forms in the DocuSign format allows the Provider Credentialing & Data Management staff to continue processing your requests as our employees take precautionary measures to prevent the spread of the novel Coronavirus (COVID-19). For details on completing DocuSign forms, [view this guide](#). When submitting DocuSign documents, please do not separately email them to Blue Cross. We automatically receive your submission from the DocuSign application. Double submissions (submitting through DocuSign and also sending an email of the completed form) could delay the processing time for your request.

Since 1996, we have been dedicated to fully credentialing providers who apply for network participation. Our credentialing program is accredited by the Utilization Review Accreditation Commission (URAC). All provider information obtained during the credentialing process is considered highly confidential.

Credentialing Process

There are two options for obtaining a Blue Cross provider record. You may request network participation or just a provider record as a non-participating provider for the purpose of filing claims. Complete the correct credentialing packet below and return to Blue Cross with all required documents.

DocuSign Format
[Professional Initial Credentialing Packet](#)
[Facility Initial Credentialing Packet](#)

Receipt of an application or agreement does not guarantee acceptance into any network. The credentialing process takes up to 90 days when all required information is received. Providers will remain non-participating in our networks until their credentialing application has been approved by our [Credentialing Committee](#).

We do not back-date network participation prior to the approval date. The credentialing approval date becomes the effective date of network participation, unless a future date is requested.

Providers may appeal committee decisions using our [Appeals and Terminations Guidelines](#).

Credentialing Process

- The credentialing process can take up to 90 days once Blue Cross receives all required information
- After 90 days you may inquire about your credentialing status by contacting our Provider Credentialing & Data Management Department at **PCDMstatus@bcbsla.com** or 1-800-716-2299, option 2
- Required credentialing application packets are available online at **www.BCBSLA.com/providers** >Provider Networks >Join Our Networks
- Blue Cross credentials professional, facility and ancillary providers
- To participate in our networks, providers must meet certain criteria as regulated by our accreditation body and the Blue Cross and Blue Shield Association
- Providers will remain non-participating in our networks until the agreement has been executed by the contracting department
- The credentialing committee meetings are held twice monthly
- Network providers are recredentialed every three years from their last credentialing acceptance date

Provider Credentialing & Data Management Policy

Below is Blue Cross' policy for credentialing and provider data management requests, which helps ensure requests are processed timely:

- Requests to join our networks or maintain network participation, including the credentialing and recredentialing processes, must be submitted on appropriate forms
- Requests for provider data management must be submitted on the appropriate Blue Cross form

Requests that are incomplete, missing information or submitted on the incorrect form will be returned. The processing time will start over once all required information is received.

All forms and credentialing packets are available online at
www.BCBSLA.com/providers >Provider Networks >Join Our Networks

Incomplete Credentialing Applications

Below are the most common reasons credentialing applications are returned:

- Professional provider did not submit the current version of the **Louisiana Standardized Credentialing Application**
- Facility did not submit the **Health Delivery Organization Information Form**
- Not submitting the proper attachments and/or forms
- An alternative application was submitted in place of the credentialing applications identified above (*we do not accept a CAQH application*)

The 90-day processing time begins when we receive all required information. The application processing time starts over once a completed application is returned to Blue Cross. Submitting a completed form is key to timely processing.

Credentialing Criteria - Facility

The following facility types must meet certain criteria to participate in our networks:

- Ambulance Service
- Ambulatory Surgical Center
- Birthing Centers
- Cardiac Cath Lab (Outpatient)
- Diagnostic Services
- Dialysis Facility
- DME Supplier
- Home Health Agency
- Home Infusion
- Hospice
- Hospitals
- IOP/PHP Psych/CDU
- Laboratory
- Lithotripsy/Orthostripsy
- Nursing Home
- Radiation Center
- Residential Treatment
- Retail Health Clinic
- Skilled Nursing Facility
- Sleep Lab/Center

Digitally Submitting Applications & Forms to Blue Cross with DocuSign®

Blue Cross is excited to announce that we are enhancing your provider experience by streamlining how you can submit applications and forms to the Provider Credentialing & Data Management (PCDM) Department. You can now complete, sign and submit many of our applications and forms digitally with **DocuSign**.

This enhancement will help streamline your submissions by reducing the need to print and submit hardcopy documents, allowing for a more direct submission of information to Blue Cross. Through this enhancement, you will be able to electronically upload support documentation and even receive alerts reminding you to complete your application and confirm receipt.

What is DocuSign?

As an innovator in e-signature technology, that helps organizations connect and automate how various documents are prepared, signed and managed

To help with this transition, we created a DocuSign guide that is available online at **www.BCBSLA.com/providers** > **Join Our Networks**

DocuSign® Guide

Blue Cross and Blue Shield of Louisiana is enhancing your provider experience by streamlining how you submit applications and forms to the Provider Credentialing & Data Management (PCDM) department. You can now complete, sign and submit many of our applications and forms digitally with DocuSign®, reducing the need to print and submit hardcopy documents. This allows for a more direct submission of information to Blue Cross. Through this enhancement, you can electronically upload support documentation and even receive alerts (reminding you to complete your application) and confirm receipts. Follow the steps below to access and complete your applications and forms with DocuSign®.

Step 1: Click the link for the needed Blue Cross form, then enter your initial information

There are two required recipients: The person completing the form must enter a name and email for both.

- "Form Completed by" - This recipient will complete all required fields with detailed information.
- "Provider" - This recipient provides final review and signature verifying that all information is correct and ready to submit to BCBSLA.

Once the information is entered for both, click the "SIGN SIGNING" button.

Note: If the "Form Completed by" and "Provider" are the same person, enter the same name and email for each role.

Step 2: Accept the Electronic Record and Signature Disclosure

- The person completing the form must review the Electronic Record and Signature Disclosure documents and consent to sign electronically.
- Select the checkbox "I agree to use Electronic Records and Signatures"
- Click "CONTINUE" to begin the signing process.

Note: To view and sign documents, the person completing this form must agree to conduct business electronically.

- BlueCard® is a national program that enables members of any Blue Cross Blue Shield (BCBS) Plan to obtain healthcare services while traveling or living in another BCBS Plan service area
- The main identifiers for BlueCard members are the prefix and the “suitcase” logo on the member ID card. The suitcase logo provides the following information about the member:

- The PPOB suitcase indicates the member has access to the exchange PPO network, referred to as BlueCard PPO basic
- The PPO suitcase indicates the member is enrolled in a Blue Plan's PPO or EPO product
- The empty suitcase indicates the member is enrolled in a Blue Plan's traditional, HMO, POS or limited benefits product

National Alliance

(South Carolina Partnership)

- National Alliance groups are administered through BCBSLA's partnership agreement with Blue Cross and Blue Shield of South Carolina (BCBSSC)
- BCBSLA taglines are present on the member ID cards; however, customer service, provider service and precertification are handled by BCBSSC
- Claims are processed through the BlueCard program

BlueCross® BlueShield®

Members: Call Customer Service for claims filing information.

Providers: File claims with the local BlueCross and/or BlueShield Plan where member received services. When Medicare is primary, file Medicare claims directly with Medicare. Preauthorization required for all hospital inpatient admissions. MRU/MRA/PET/CT will require authorization to ensure benefit payment. Report emergency admissions within 24 hours.

Blue Cross and Blue Shield of Louisiana provides administrative services only and does not assume any financial risk for claims.

Fully Insured vs. Self-insured

Member ID Card Differences

FULLY INSURED

Group and individual policies issued by Blue Cross/HMOLA and claims are funded by Blue Cross/HMOLA

“Fully Insured” notation

SELF FUNDED

Group policies issued by Blue Cross/HMOLA but claims payments are funded by the employer group, not Blue Cross/HMOLA

- “Fully Insured” NOT noted
- Self-funded group name listed

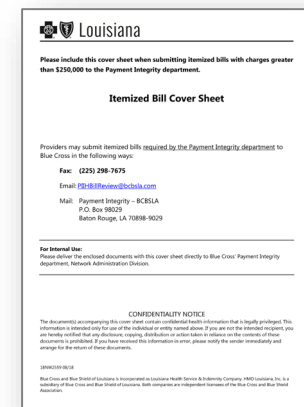

The benefit, limitation, exclusion and authorization **requirements often vary for self-funded groups**. Please always verify the member’s eligibility, benefits and limitations prior to providing services. To do this, use iLinkBlue (www.BCBSLA.com/ilinkblue).

New Billing Requirements

Pre-pay Itemized Bill Review

Effective January 1, 2020, when filing an inpatient acute care claim that has a billed charge of greater than **\$200,000**, please follow these guidelines:

- File the claim using your usual process for filing claims; in addition, please submit an itemized bill and include the Itemized Bill Cover Sheet
- If the itemized bill is sent via fax or email, you will receive an acknowledgement of receipt
- We highly recommended that you send itemized bills immediately after filing the claim or before filing the claim. Claims received with a billed amount of greater than \$200,000 without itemized bill information may be denied or result in delayed reimbursement.
- The itemized bill must list each service and item supplied to the member and match the dollar amount and dates of service
- If you have questions about this claim review process, please email the Payment Integrity department at PIIHBillReview@bcbsla.com

The image shows a sample of the 'Itemized Bill Cover Sheet' form. At the top, it features the Louisiana Blue Cross logo and the text 'Please include this cover sheet when submitting itemized bills with charges greater than \$250,000 to the Payment Integrity department.' The title 'Itemized Bill Cover Sheet' is prominently displayed. Below this, it states 'Providers may submit itemized bills required by the Payment Integrity department to Blue Cross in the following ways:' followed by contact information: Fax: (225) 298-7675, Email: PIIHBillReview@bcbsla.com, Mail: Payment Integrity - BCBSLA, P.O. Box 98029, Baton Rouge, LA 70898-9029. There is also a section for 'For Internal Use' and a 'CONFIDENTIALITY NOTICE' at the bottom.

The **Itemized Bill Cover Sheet** is located online at www.BCBSLA.com/providers
> Resources > Forms

Effective **January 1, 2021**, this limit will change to a \$100,000 minimum

Inpatient Unbundling Policy

The inpatient unbundling policy is effective for all inpatient acute care claims received on and after May 1, 2020

- The policy identifies supplies, items and services that should bundle with room and board charges in an inpatient setting, according to CMS guidelines. The services and supplies identified in the inpatient unbundling policy are not separately reimbursable by Blue Cross and are not billable to our members.
- All Blue Cross inpatient acute care claims and itemized bills could be subject to review under this policy. Upon discovery of a supply, item or service identified by the policy, the associated charge will be deemed non-covered/ineligible. Should an adjustment be required to your claim, it will be reflected on your remittance advice.

The full policy is available in the *Member Provider Policy & Procedure Manual* available on iLinkBlue at **www.BCBSLA.com/ilinkblue**, click on "Resources," then "Manuals"

Inpatient Unbundling Policy FAQs

For a copy of our **Inpatient Unbundling Policy Frequently Asked Questions** email **provider.relations@bcbsla.com**

Inpatient Unbundling Policy Frequently Asked Questions

What claims will the inpatient unbundling policy apply to?

This policy applies to all inpatient acute care claims.

Why is Blue Cross implementing the inpatient unbundling policy?

We reviewed a history of inpatient claims and have determined that not all facilities follow the CMS policy. We are aligning our reimbursement policy with the CMS policy to ensure proper, consistent billing of routine services and supplies.

When does the inpatient unbundling policy take effect?

This policy is effective for claims received on and after May 1, 2020.

Can I bill the member for supplies, items and services the policy identifies as not separately reimbursable by Blue Cross?

No. Providers should not bill our members for any supplies, items and services that are ineligible for separate reimbursement by Blue Cross and Blue Shield of Louisiana under this policy. The Blue Cross inpatient unbundling policy aligns with the CMS policy on routine services and supplies that should be bundled in the room and board charges, as defined in the *CMS Provider Reimbursement Manual*, chapter 22, section 2202.06.

How will the claim review process work?

Blue Cross review of an inpatient acute care claim can be done on a post-pay or pre-pay basis. Inpatient claims and their itemized bills (as applicable) will be reviewed for the supplies, items and services under this policy. If Blue Cross identifies charges for routine services and supplies that should bundle to the room and board charges per CMS guidelines, those charges will be disallowed and considered non-covered/ineligible charges.

Is it required for providers to send in the itemized bill for review of these claims?

Blue Cross requires facilities to submit an itemized bill when filing an inpatient acute claim that has a billed charge of greater than \$200,000. Blue Cross and its vendors also reserves the right to request itemized bills when deemed necessary for claims processing and review, regardless of billed amount.

If the billed charge is greater than \$200,000, an itemized bill should be submitted at the same time claims are filed. If the provider receives a Blue Cross request for an itemized statement of billed services, the provider must submit an itemized bill for review within seven days of receipt of the request.

An itemized bill should be submitted by fax, email or mail using the Itemized Bill Cover Sheet that is available online at www.BCBSLA.com/providers > Resources > Forms.

Readmissions Policy

Next Phase Readmission Policy Delay

- In 2019, we implemented a two-phase readmissions policy to give providers time to take steps toward reducing readmissions among their patients
- The first phase (effective September 2019), does not reimburse readmissions to the same or an affiliated facility within 15 days of discharge
- Blue Cross' intent was to implement the second phase of this policy on September 1, 2020, extending the period of discharge from 15 to 30 days
- **Due to the novel coronavirus (COVID-19) we have decided to delay the second phase of implementation of our readmissions policy until January 1, 2021**

Next Phase Readmission Policy Delay

As a reminder, the guidelines currently in effect under phase one of the readmissions policy will remain in effect as follows:

- Readmissions to the same or an affiliated facility for the same condition, similar condition or a complication of the original condition within 15 days of discharge will not be reimbursed
- The first admission payment will encompass full reimbursement for treatment of the condition and/or any related complications
- Providers cannot bill members for service recouped as a result of this policy

To view the full Blue Cross readmissions policy, refer to *our Member Provider Procedure & Policies Manual*, available in iLinkBlue (www.BCBSLA.com/ilinkblue) under the “Resources” menu option

Blue Advantage Changes

Blue Advantage Transition to Vantage Health Plan

- Effective **January 1, 2021**, we will be transitioning our Blue Advantage primary service administrator from Lumeris Healthcare Outcomes to **Vantage Health Plan**, a Louisiana-based company
- This new partnership will allow us to further innovate and impact cost and quality of care, continue to deliver exceptional customer services and improve the health and lives of Louisianians
- Vantage has extensive Medicare Advantage experience, including operational resources, that aligns with our long-term strategy for the Blue Advantage networks. We are currently working with Lumeris to ensure this transition is seamless for both our members and providers.

Due to COVID-19 we will be conducting our workshops as webinars. We will also be holding our Blue Advantage webinars in December. Be on the lookout for Blue Advantage transition webinar invitations. If you have not received the invitations closer to the date, email **provider.relations@bcbsla.com**.

ASC Converting to CMS-1500 Claim form for BA Claims

- Effective October 1, 2020, Blue Advantage claims for Ambulatory Surgery Centers need to be submitted on the CMS-1500 claim form
- All other commercial ASC claims should continue to be billed on the UB-04 claim form

Temporary Telehealth Expansion

Additional Temporary Telehealth Changes

Members in our HMO select networks (Blue Connect, Community Blue, Precision Blue and Signature Blue) may obtain telehealth and telephone-only services from any participating credentialed provider in any of our Blue Cross networks and the member's in-network level of benefits will be applied

For more information about our temporary telehealth changes visit our COVID-19 Provider Resources Page at **www.BCBSLA.com/providers**

Facility Outpatient Therapy Telehealth Services

- The **temporary** expansion to our telehealth services also includes outpatient physical, occupational or speech therapy services delivered within credentialed network facilities as telehealth visits. This is effective for dates of service on and after March 16, 2020, and will remain in effect until we are past the novel coronavirus (COVID-19) national emergency. Blue Cross will notify providers when the expanded policies are no longer effective.
- The following criteria apply for outpatient therapy telehealth services:
 - Providers must operate within the scope of their license to deliver therapy services through telehealth encounters and must accept Blue Cross' allowable charges
 - The telehealth visit must be fully documented in the patient's medical record
 - Services must be provided using a non-public-facing platform for telehealth services that is either HIPAA-compliant or approved by the Health and Human Services Office of Civil Rights
 - Outpatient hospital claims for therapy telehealth services should indicate the appropriate CPT[®]/HCPCS code, along with Modifier GT or 95
 - Please refer to the Telehealth Temporary Member Cost Share Waiver information related to this policy

iLinkBlue Enhancements

Digital ID Cards in iLinkBlue

Digital ID cards are downloadable PDFs that can be accessed through iLinkBlue (www.BCBSLA.com/ilinkblue) under the "Coverage Information" menu option, then click "ID Card"

The screenshot shows the iLinkBlue website interface. At the top, there's a header with the Louisiana state logo and 'Louisiana' text, a 'Provider' section with 'Tax ID' and 'NPI' input fields and a 'Submit' button, and a 'Logged in as Billy Gomila' status with a 'Location' link. The 'ilinkBlue' logo is on the right. Below the header is a navigation bar with links: Home, Coverage, Claims, Payments, Authorizations, Quality & Treatment, and Resources. The 'Coverage' link is highlighted. Under 'Coverage', there are two main sections: 'BCBSLA Members' and 'BlueCard - Out of Area Members'. In the 'BCBSLA Members' section, the 'Coverage Information' link is circled in red. In the 'BlueCard - Out of Area Members' section, there are links for 'Submit Eligibility Request (270)' and 'View Eligibility Response (271)'. Below these sections, there's a note about using medical codes. The main content area displays 'Contract Number XUA123456789' and 'ACTIVE COVERAGE'. It lists group information: Group/Non-Group Policy, Group Name (LOUISIANA HOSPITAL), Group Number (12A34ERC-0000), Group OED (01/01/2017), and Minor Dep. Age Max (26). It also shows Coverage Category (Medical) and Coverage Type (Subscriber and Dependents). Below this, there's a 'Subscriber' section with fields for First Name (Jane), Last Name (Doe), Address (123 AVENUE ST, COVINGTON, LA 70433), Primary Care Physician (Joe R. Doctor), Sex (Female), Marital Status (Married), and Date of Birth (01/01/1983). At the bottom, there's a table with columns: Coverage, Effective Date, Cancel Date, Original Effective Date, Id Card, Coverage Views, and Coordination of Benefits. The 'Id Card' column has a link 'Id Card' circled in red. The 'Coverage Views' column has links 'Summary' and 'Benefits'. The 'Coordination of Benefits' column shows 'NO COB Verified' with a help icon.

Members Can Access Their Digital ID Cards

Our members may also access their cards through their smartphone, via the Blue Cross mobile app or through our online member portal:

- To access through the Blue Cross mobile app, log on and choose the “My ID Card” option on the front page and use the dropdown menu to choose from the ID cards available
- To access through the Blue Cross member portal, log into the online member account at www.BCBSLA.com. There, click on “My ID Card” and use the dropdown menu to choose from ID cards available. These cards can be downloaded as PDFs and saved.

Document Upload Feature

NEW

We now offer a feature that allows providers to upload documents that would normally be faxed, emailed or mailed to select departments

The new feature is quick, secure and available at any time through the iLinkBlue provider portal

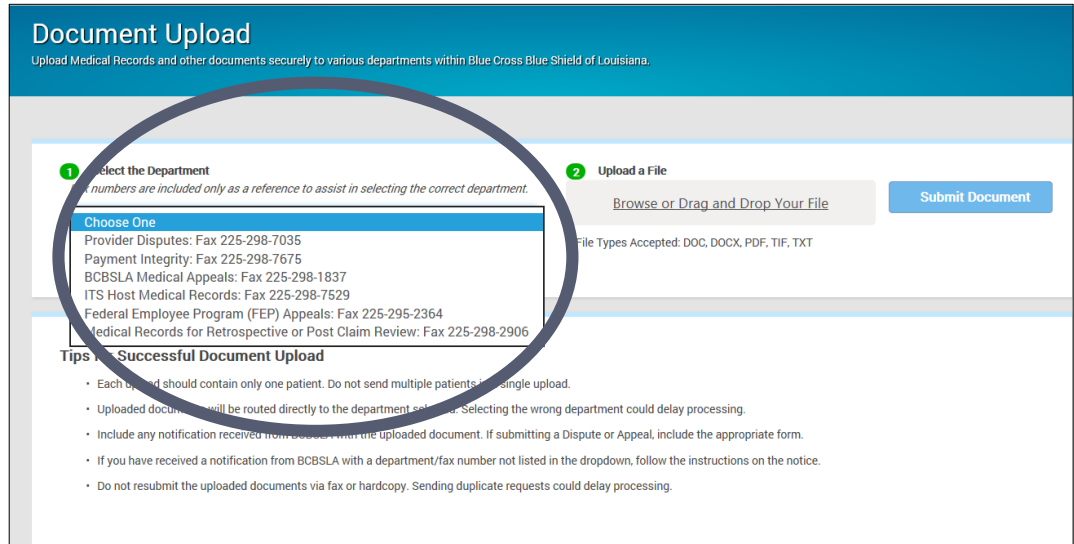

The screenshot displays the iLinkBlue provider portal interface. At the top, a navigation bar includes links for Home, Coverage, Claims, Payments, Authorizations, Quality & Treatment, and Resources. The main content area features a 'Welcome to iLinkBlue' section with a 'Tips to Know' message about password resets. To the right, a 'Medical Record Requests' alert indicates 4017 new requests requiring action. Below this, a 'Document Upload' link is highlighted with a red circle. On the left sidebar, under the 'Medical Records' section, the 'Document Upload' link is also highlighted with a red circle.

The Document Upload feature can be accessed on iLinkBlue (www.BCBSLA.com/ilinkblue) or under Claims > Medical Records > Document Upload

Document Upload Feature

Select the department you wish to send your document, from the drop-down list. The fax numbers are included only as a reference to assist in selecting the correct department.

- Provider Disputes
- Payment Integrity
- BCBSLA Medical Appeals
- ITS Host Medical Records
- Federal Employee Program (FEP) Appeals
- Medical Records for Retrospective or Post Claim Review

The screenshot shows the 'Document Upload' interface. At the top, a blue header contains the title 'Document Upload' and a subtitle 'Upload Medical Records and other documents securely to various departments within Blue Cross Blue Shield of Louisiana.' Below the header, the interface is divided into two main sections. The first section, labeled '1 Select the Department', includes a note that 'Fax numbers are included only as a reference to assist in selecting the correct department.' A dropdown menu is open, showing a list of departments with their corresponding fax numbers. The second section, labeled '2 Upload a File', features a 'Browse or Drag and Drop Your File' button, a 'Submit Document' button, and a list of accepted file types: DOC, DOCX, PDF, TIF, TXT. Below these sections, a 'Tips for Successful Document Upload' section provides additional instructions.

[Browse or Drag and Drop Your File](#)

[Submit Document](#)

File Types Accepted: DOC, DOCX, PDF, TIF, TXT

Tips for Successful Document Upload

- Each upload should contain only one patient. Do not send multiple patients in a single upload.
- Uploaded documents will be routed directly to the department selected. Selecting the wrong department could delay processing.
- Include any notification received from BCBSLA with the uploaded document. If submitting a Dispute or Appeal, include the appropriate form.
- If you have received a notification from BCBSLA with a department/fax number not listed in the dropdown, follow the instructions on the notice.
- Do not resubmit the uploaded documents via fax or hardcopy. Sending duplicate requests could delay processing.

Document Upload Feature FAQs

What should be included in the uploaded document?

Include any notification, letter or form that is required with the request along with the medical records or other documentation requested. If submitting a Dispute or Appeal, include the appropriate form.

What file types are allowed in the upload process?

DOC, DOCX, PDF, TIF, TXT

Do I need to send a fax or hard copy request in addition to upload?

No. Sending the uploaded document thru fax, email or hardcopy mail **in addition** to uploading, will result in duplicate requests being received at Blue Cross. This will delay the processing of the request.

If you would like a copy of the FAQs that were previously sent, please email **provider.relations@bcbsla.com** with "Document Upload Feature" in the subject line

Authorizations

Authorization Portal Mandate

NEW

Effective October 1, 2020, we are requiring all prior authorization requests from home health and acute inpatient care facilities to be submitted exclusively through our online BCBSLA Authorizations Tool

Inpatient acute facilities:

- Authorization requests for inpatient acute hospitalization stays will no longer be taken via phone or fax. This includes initial (new) inpatient stays as well as continued stays.
- Providers must use the BCBSLA Authorization Tool to start and complete the process for all new requests; phone calls or faxes received after this date will be directed to the online tool. This allows providers to request authorizations for services 24 hours a day, seven days a week, in real time.
- Facilities will no longer receive daily inpatient logs. We will continue to fax approval letters to your facility for every member reviewed.

For more information on how to use our BCBSLA Authorizations Tool, the *BCBSLA Authorizations Applications Facility User Guide* is available on iLinkBlue under the "Resources" tab, then click "Manuals"

Authorization Portal Mandate

NEW

Inpatient acute and home health facilities:

Providers will need to supply the necessary clinical information in one of the three ways outlined below:

- Providers may complete a criteria review via InterQual (IQ). If one is completed and criteria is met the provider will receive approval online. Most cases will get an automatic approval when an IQ review is done. Some Self-funded (ASO) members will not get an automatic approval due to benefit limits.
- Providers may upload clinical information to the authorization request through the BCBSLA Authorization Tool, if criteria is not met
- Providers may document the clinical information in the notes section of the request in the BCBSLA Authorization Tool. This option requires the provider to generate an activity within the case. If an activity is not generated, the clinical information will not be available for the BCBSLA staff to review.

iLinkBlue - Authorizations

- Use the “Authorizations” menu option to access our authorization tools
- An administrative representative must grant a user access to the following applications before a request can be submitted:
 - BCBSLA Authorizations
 - Behavioral Health Authorizations
 - Out of Area (Pre-service Review – EPA)

Utilization Management Programs

Blue Cross has several utilization management programs that require prior authorization for select elective services. AIM Specialty Health® (AIM), an independent specialty benefits management company, serves as our authorization manager for these services:

- Cardiology
- High-tech Imaging
- Radiation Oncology
- Musculoskeletal (MSK)
 - Interventional Pain Management
 - Joint Surgery
 - Spine Surgery

Authorization requests may be completed online using the AIM **ProviderPortal_{SM}** accessed through iLinkBlue. AIM clinical appropriateness guidelines are available at www.aimspecialtyhealth.com.

AIM extensions - COVID Exceptions – For new authorizations requested from March 30 to June 30

- All new approved AIM authorizations are given a 90-day time span. Implemented March 30, 2020. This applies to all programs except Radiation therapy.
 - If the authorization was approved prior to March 30 and the time span has ran out, they must call and get a new authorization
- All CT's of the chest requested for known or suspected diagnosis of COVID-19 will get an auto approval by AIM. Implemented March 30, 2020. They still must request, but it will auto approve.

The full policy is available in the *Member Provider Policy & Procedure Manual* available on iLinkBlue at www.BCBSLA.com/ilinkblue, click on "Resources," then "Manuals"

Imaging Authorizations

The ordering physician should always use the AIM **ProviderPortal**_{SM} in iLinkBlue to set up an authorization

AIM Specialty Health® allows you to submit and receive pre-authorizations over the web on a real-time basis eliminating the need to call AIM for the following outpatient high-tech diagnostic services:

- Computerized Tomography (CT) Scans
- Computerized Tomographic Angiography (CTA)
- Fractional Flow Reserve using CT (FFR-CT)
- Magnetic Resonance Imaging (MRI)
- Magnetic Resonance Angiography (MRA)
- Nuclear Cardiology Procedures
- Positron Emission Tomography (PET) Scans

Blue Advantage (HMO) | Blue Advantage (PPO) providers currently use AIM for their Blue Advantage members' authorizations for radiation oncology, high-tech radiology, musculoskeletal (outpatient only) and cardiology (office and outpatient)

Top reasons for claim denials related to outpatient imaging authorizations:

- No authorization on file
- Facility location (place of treatment) does not match authorization
- Servicing provider does not match authorization

OptiNet Registration Tool in iLinkBlue

- AIM Specialty Health® offers **OptiNet**® an online registration tool that gathers information about the technical component capabilities of diagnostic imaging services and calculates provider scores based on self reported information
- Through this tool, we can offer members and their ordering providers the option to “shop” for quality, lower-cost diagnostic imaging services
- Without an OptiNet score, you miss out on this opportunity for exposure to Blue members

Why Is Your Score So Important?

- For any provider who performs imaging services and does not complete an assessment, a score will not be part of our benchmarking, meaning the provider will not be included in transparency programs such as our shopper program or future reimbursement incentives

OptiNet Registration Tool in iLinkBlue

How Is Your Score Calculated?

- The site score measures basic performance indicators that are applicable for the facility, such as general site access, quality assurance and staffing
- The modality specific scoring is based on indicators such as MD certification, technologist certification, modality accreditation and equipment quality

How to Access OptiNet?

- Log into iLinkBlue (www.BCBSLA.com/ilinkblue)
- Click on the "Authorizations" menu option Click on the "AIM Specialty Health Authorizations" link; this link takes you to the AIM **ProviderPortal**_{SM}
- Click on "Access Your OptiNet Registration" on the left menu bar
- Click the green "Access Your OptiNet Registration" button

Prior Authorizations

- Services that require prior authorization can be found in our provider manuals and network speed guides. These are available in iLinkBlue (www.BCBSLA.com/ilinkblue) under "Resources."
- Authorization requirements may vary by product
- The **ordering/rendering provider must initiate the authorization** process at least 48 hours prior to the service by:
 - Using iLinkBlue to access our online authorization portal, or
 - Calling the authorization number on the member ID card

Top reasons for claim denials related to authorizations:

- Place of treatment and/or date of service does not match authorization
- Diagnosis and/or procedure code does not match authorization
- Servicing provider does not match authorization

Process for Changing an Authorizations

You can ask our authorization department to change or add a code to an already approved authorization when **all of the following** conditions are met:

- There is an approved authorization on file
- Provider states a claim has not been filed
- The requested code is surgical or diagnostic
- The requested code is not on a Blue Cross medical policy or a non-covered benefit

If the above criteria is met, an authorization can be changed within seven calendar days of the services being rendered

If the procedure being added or changed is on a Blue Cross medical policy or is a non-covered benefit, it cannot be updated on the authorization. Once the claim is filed, fax medical records to (225) 298-2906 or 1-800-515-1150.

Failure to Obtain an Authorization

Failure to obtain a prior authorization can result in:

- A 30% penalty imposed on Preferred Care PPO and HMO Louisiana, Inc. network providers for failing to obtain authorization prior to performing an outpatient service that requires authorization
- A \$1,000 penalty applied to inpatient hospital claims if the patient's policy requires an inpatient stay to be authorized (Note: some policies contain a different inpatient penalty provision)
- The denial of payment for services for our Office of Group Benefits (OGB) members

Authorization penalties or services that deny for no authorization are not billable to the member

Urgent Authorizations

The initial request for authorization of an urgent illness is processed as soon as possible based on the clinical situation, or within 72 hours of the request regardless of whether all information is received

The authorization process is designed only to evaluate the medical necessity of the service and is not a guarantee of payment or a confirmation of coverage for benefits

Approved Requests

- The contact person/practitioner is notified by telephone
- A confirmation letter is sent to the member, physician and hospital, as applicable

Denied Requests

- The contact person is notified by telephone and is given the reason for the denial and the procedure for initiating the expedited appeal process
- A letter listing appeal rights is sent to the member, physician and hospital, if applicable, within one business day of the determination

Temporary Authorizations

An authorization is required for many services. While authorizations are still required for those services, we are automatically approving all services related to the diagnosis or treatment of COVID-19 without medical review.

- This change applies to inpatient and outpatient services
- This automatic approval will be triggered by including the appropriate ICD-10 code for COVID-19:
 - B97.29 for dates of service prior to April 1, 2020
 - U07.1 for dates of service on and after April 1, 2020

Providers can electronically submit authorization requests for BCBSLA members through iLinkBlue (www.BCBSLA.com/ilinkblue) using our BCBSLA Authorizations tool under the "Authorizations" menu option, or you can call the number on the member ID card

Temporary Authorization Requirements for hospitals

Non-Emergent Hospitalizations:

- Authorizations for non-emergent hospitalization (scheduled admissions for elective procedures) must be prior authorized if benefits require authorizations

Behavioral Health authorizations:

- Authorization for behavioral health services (inpatient admissions, IOP, PHP, RTC and ABA services) must be prior authorized

Transplant services:

- Transplant services must be prior authorized

Claims Editing System

Claims Editing Software

- We updated to a new claims editing software (CES) system that launched on July 27, 2019
- It applies edits to incoming claims to ensure proper coding and billing based on:
 - Reimbursement
 - Medical policy
 - Benefit rules
 - Industry standard and coding guidelines
- It promotes accurate and consistent payments
- It manages compliance with standard coding and billing practice between various types of services, such as:
 - Medical
 - Surgical
 - Lab and radiology

Claims Editing System Tool

With the implementation of the new CES system, we have a new tool in iLinkBlue for providers to calculate claim-edit outcomes

Claims Editing System Tool

This tool does not guarantee claims payment

The results of the software do not consider all circumstances and factors that may affect payment including:

- Historical claims previously billed
- Units billed
- Global day edits for procedures
- Multiple procedure reduction
- Member benefits and eligibility
- Provider contracts
- Modifiers that override edits

CES Tool Mandatory Fields

Louisiana

This tool is applicable for Professional edits or Facility Outpatient edits. Please do not use this tool for Inpatient edits.

Annual Provider Survey

Thank you to those who took our recent survey. If you didn't respond, be sure to take our survey next year. We greatly value your input!

- As a result of the 2019 survey, we implemented a new Provider Outreach initiative. We provide training and assistance for newly credentialed providers.
- We have received positive feedback regarding this initiative and look forward to hearing your additional ideas

Louisiana Preferred Care PPO Preferred Reference Lab Guide

Blue Cross and Blue Shield of Louisiana uses a preferred lab program with multiple statewide and regional lab vendors. Laboratory service provided to Preferred Care PPO members must be submitted to a preferred reference laboratory in the member's network when not performed in the provider's office. Physicians who do not adhere to these reference guidelines may be subject to penalties as described in their provider contract. Please refer to the preferred lab requirements listed below to ensure your patients receive the maximum benefits to which they are entitled.

Lab Program Requirements

Laboratory services provided to PPO members must be submitted to a preferred reference laboratory in the member's network if not performed in the provider's office. One list on the right or our online provider directories, available at www.BCBSLA.com

Contract preferred reference labs directly to obtain the necessary forms for submitting lab services.

Prepayment lab services rendered before an inpatient stay or outpatient procedure may be performed by Preferred Care PPO participating hospitals or the member's selected hospital but otherwise should be sent to a preferred reference lab.

If you perform laboratory testing procedures in your office, you must be able to communicate with your Clinical Laboratory Improvement Act (CLIA) certification.

For complete lab billing guidelines, refer to our Professional Provider Office Manual, available online at www.BCBSLA.com/providers.

Special Arrangements

Special arrangements for weekend or after-hour patients may not be available at all preferred reference labs. Please contact the preferred reference lab directly to make special arrangements.

Preferred Reference Labs

Laboratory services provided to Preferred Care PPO members must be submitted to one of the following preferred reference labs when not performed in the provider's office:

Statewide Labs

- Clinical Pathology Labs
- Laboratory Corporation of America (LabCorp)
- Quest Diagnostics
