Accessing iLinkBlue

Louisiana Blue requires that provider organizations have at least one **administrative representative** to manage our secure online services.

Administrative representative duties include:

- ✓ Identify users at your organization who will need access to our secure online services.
- ✓ Assign individual user access to the appropriate applications.
- ✓ Manage users and terminate user access when it is no longer needed.

The screenshot shows a document titled "Instructions for Accessing Our Secure Online Services" from Louisiana Blue. It includes the Louisiana Blue logo and a list of services requiring secure access: iLinkBlue, BCBSLA Authorizations, Behavioral Health Authorizations, Pre-Service Review for Out-of-Area Members (for BlueCard* members), and more. It provides a 3-step process for reporting an administrative representative to Blue Cross, including contact information for the PIM Team (Email: PIMTeam@bcbsla.com, Fax: 1-800-515-1128). A "Need Help?" section also provides contact information. A box titled "What is an Administrative Representative?" defines the role with four bullet points. At the bottom, there is a photo of a man and a woman and a small disclaimer: "Blue Cross and Blue Shield of Louisiana is an independent licensee of the Blue Cross Blue Shield Association."

Louisiana providerTIDBIT
a guide to understanding our processes

A Guide for Understanding APTC Grace Periods

The Affordable Care Act (ACA) allows eligible customers to receive an advanced premium tax credit (APTC) to help with premium costs. To be eligible for the APTC subsidy, Louisiana members must not have access to other types of coverage (from an employer, Medicare or Medicaid) and must apply for it, which is done through the health care "Marketplace" (also called "the exchange"). Open enrollment occurs each year for individuals, families and small businesses.

One feature of the APTC is that customers are given a three-month premium payment grace period to help when they have delinquent premium payments. This feature is a standard ACA requirement, regardless of the customer's health care carrier.

After the three-month period of not paying the premium, the APTC member's policy will terminate, effective to the 30-day delinquency date. Claims paid during the first month of delinquency will remain paid. Claims pending for months two and three will be denied for eligibility.

Claims denied are denied for services rendered during the second and third months of the grace period; the provider may then seek reimbursement directly from the member up to the billed charge amount(s). If you have already collected the allowed amount(s) from the member, you may then collect the amounts still owed to you up to your billed charges.

Sample Grace Period Scenario

Providers can research APTC premium status information for Blue Cross and Blue Shield of Louisiana members in Lablue Cross/BlueShield.com/Providers or by electronic requests submitted to the Blue Cross Clearinghouse. The missing pages of this tidbit have instructions for researching any APTC grace periods a member may have.

If your claim cannot be found using the Claims Status Search, the below features are available to search out of area claims status:

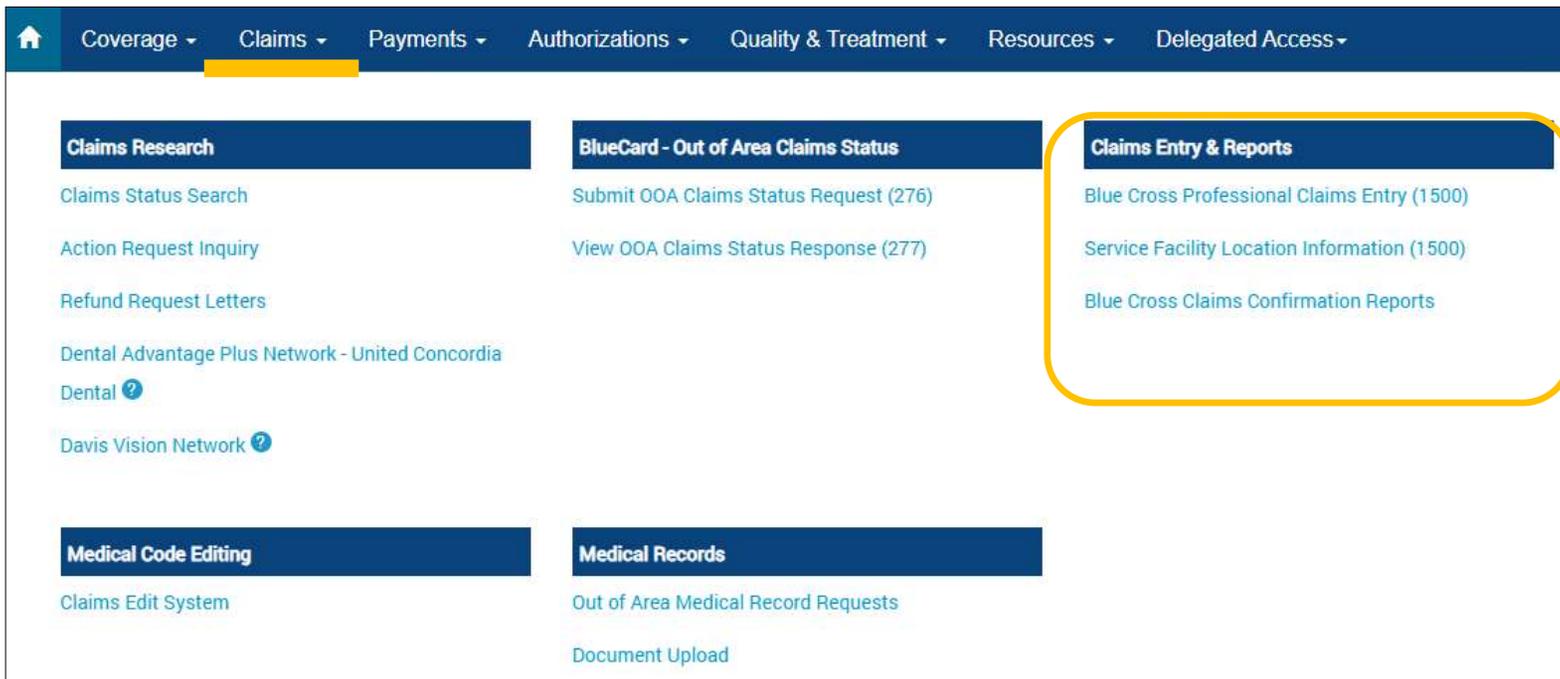

- [Submit OOA Claims Status Request \(276\)](#) – submit an electronic claim status inquiry to the out-of-area member’s Blue Plan.
- [View OOA Claims Status Response \(277\)](#) – access the electronic response from the member’s Blue Plan. Though not immediate, Blue Plans usually transmit out of area responses back within less than a minute.

The screenshot shows the BlueCard website navigation menu. The 'Claims' dropdown menu is open, and the 'BlueCard - Out of Area Claims Status' section is highlighted with a yellow box. This section contains two links: 'Submit OOA Claims Status Request (276)' and 'View OOA Claims Status Response (277)'. It is available online; www.lablue.com/providers, click on "Resources" and look under "Tidbits."

The screenshot shows the Louisiana providerTIDBIT website. At the top, it says "Louisiana providerTIDBIT a guide to understanding our processes". Below this is a navigation menu with links for Coverage, Claims, Payments, Authorizations, Quality & Improvement, Resources, and Alerts. The main content area is titled "Medical Record Guidelines for BlueCard®" and includes a "Welcome to iLinkBlue" section with a "Medical Record Requests" button. The guidelines list several steps and requirements, such as always directing submissions to Blue Cross and Blue Shield of Louisiana, waiting 10 business days for a response, and including a printed copy of the iLinkBlue medical record alert as the cover or first page of the submission. A "Do NOT submit BlueCard Medical Records" section lists specific requirements for submissions, including that they must be from Blue Cross and Blue Shield of Louisiana, include a copy of the original claim as an attachment, and be accompanied by a request for medical records notification from iLinkBlue. The document is dated 7/30/2019 and includes contact information for the Health Services Division of Blue Cross and Blue Shield of Louisiana.

Tips for Successful Document Upload

- Each upload should contain only one patient and include the member's name, date of birth and contract number. Do not send multiple patients in a single upload.
- Uploaded documents will be routed directly to the department selected. Selecting the wrong department could delay processing.
- Include any notification received from BCBSLA with the uploaded document. If submitting a Dispute or Appeal, include the appropriate form.
- If you have received a notification from BCBSLA with a department/fax number not listed in the dropdown, follow the instructions on the notice.
- Do not resubmit the uploaded documents via fax or hardcopy. Sending duplicate requests could delay processing.

What members see are PPO costs displayed on the national Blue Cross Blue Shield Association (BCBSA) Hospital & Doctor FinderSM website.

Twice a year, we notify providers to review their refreshed cost data. Providers are asked to log into iLinkBlue during the 30-day review period. At the end of the period, the data is published to BCBSA.

CAA Surprise Billing Notice and Consent

The Consolidated Appropriations Act (CAA) 2021 includes the No Surprises Act, which governs how non-participating providers are allowed to bill patients. This Act prohibits non-participating providers from balance billing for non-emergency medical services performed at network facilities, with certain exceptions.

Under the law, the following providers are **not** permitted to ask patients to give up their balance-billing protections:

- anesthesiologists
- emergency room doctors
- neonatologists
- pathologists
- radiologists
- and other ancillary providers as defined by the CAA 2021

CAA Surprise Billing Notice and Consent

Submitting Patient Notice & Consent

Providers can submit claims electronically or hardcopy. Providers must also submit a copy of the consent waiver to Louisiana Blue as documentation that the patient is waiving their protective rights for balance billing. To ensure that Louisiana Blue properly receives the consent documentation, please follow the claims filing guidelines below:

For Electronic Claims:

- Submit the claim electronically.
- Submit a copy of the signed consent waiver by mail, fax or email at the same time.
- Complete and include the Louisiana Blue CAA Consent Submission Form as a cover sheet. It is available at www.lablue.com/providers >Resources >Forms. Submission instructions are included on the form.

For Paper Claims:

- Submit the signed consent waiver as an attachment to your hardcopy claim form.
