Additional Availability Standards

- Physicians are responsible for ensuring access of services 24 hours a day, 365 days a year other than in an emergency room for non-emergent conditions. This includes arrangements to ensure patient awareness and access after hours to another participating physician.
- All providers must offer services during normal working hours, typically between 9 a.m. and 5 p.m.
- Average office waiting times should be no more than 30 minutes for patients who arrive on time for a scheduled appointment.
- The physician's office should return a patient's call within four to six hours for an urgent/acute medical question and within 24 hours for a non-urgent issue.

Acute Care Hospital Availability Standards

- Acute care hospitals are responsible for ensuring access to services 24 hours a day, 365 days a year.
- All contracted hospitals must maintain emergency room or urgent care services on a 24-hour basis and must offer outpatient services during regular business hours, if applicable.
