Retired Policy

Next-Generation Sequencing for the Assessment of Measurable Residual Disease

Policy # 00656

Original Effective Date: 12/19/2018

Retired Date: 07/01/2024

Next-Generation Sequencing for the Assessment of Measurable Residual Disease was retired effective 07/01/2024.

A retired medical policy is no longer active and is not utilized for coverage eligibility determination or claims processing as of the retired date.

This medical policy is being retired as a part of the collaborative partnership with Carelon MBM Genetic Testing Program. Carelon will provide genetic testing management services to ensure enforcement of genetic testing policies effective 07/01/2024.
